## **Design Memorandum No. 08-20** **Technical Advisory**

September 11, 2008

**TO:** All Design, Operations, and District Personnel, and Consultants

**FROM:** /s/ Anthony L. Uremovich

Production Management Division

**SUBJECT:** Bridge Plans Title Sheet

**EFFECTIVE:** March 11, 2009, Letting

The title sheet format and layout for bridge plans has been changed. The index has been removed and the requirement for latitude and longitude indication has been added. The index should now be shown on an Index Sheet, as sheet 2, similar to that for road plans.

An example of the two-sheet format and layout is shown in the attachment.
